repeat G Dsus C² last X G Dsus C²

Je - sus! Je - sus!

2nd verse: There comes a time when we all need a friend
 Remember Jesus, on Him you can depend
 He's right there with you, just close your eyes and call His Name
 He died and rose again, He did it all
 For you and me, He's always there
 All the time, everywhere
 For all our sins, He took the blame
 I can't stop shouting His Name!
